1908.

P R E F A C E.

THE Registers of the parish of Allerton Mauleverer begin as to the marriages in 1557, as to the baptisms in 1562, and as to the burials in 1564.

They are contained, with the exception of the marriages from 1754, in a parchment book 13 in. × 17½ in., which has been terribly cut about at some time. The entries are very imperfect from the beginning of the seventeenth century, and during considerable periods are mixed up in a very confusing manner.

The Society is indebted to the late and present Vicars, Mr. CRANKSHAW and Mr. KNIGHT, for allowing the Registers to be copied and published.

The Registers
OF
Askham Richard

IN THE AINSTY OF YORK.

1579-1812.

TRANSCRIBED AND EDITED BY
F. WILLIAM SLINGSBY.

PRIVATELY PRINTED FOR
THE YORKSHIRE PARISH REGISTER SOCIETY

1908.

P R E F A C E .

THE Registers of Askham Richard, from 1579 to 1812, are contained in two parchment books, which are in excellent condition. The Registers are apparently perfect, though there is only one entry between 25th August, 1771, and 28th March, 1773. The entries about that time are badly written and spelt, as though they had been made by the parish clerk or some illiterate person, who probably performed the duty thrown upon him to the best of his ability.

Although Askham Richard is only five miles from York, there is no sign of the Great Rebellion, the siege of York, or the battle of Marston Moor, in its Registers.

The Society is greatly indebted to the Vicar, the Rev. U. B. MILES, for the facilities he has afforded for the transcription of the Registers.

Yorkshire Parish Register Society.

REPORT FOR 1907.

THE Council of the Yorkshire Parish Register Society have the pleasure to present their Ninth Annual Report. The number of Members on the Roll is 228, the same as in 1906.

During the year the Registers of Ledsham and Rothwell (Part I) were issued for 1906, and the Registers of Gargrave, Terrington and Thornhill (Part I) for 1907. The Registers of Howden (Part III), Otley (Part I), Askham Richard, and Allerton Mauleverer have been in the hands of the printers for some months. It is intended that the Registers for 1909 shall be Rothwell (Part II), Kirklington, and a York Register to be selected by the Secretaries.

The Registers of Aberford, Arncliffe, Church Fenton, Cowthorpe, Crofton, Emley, Garforth, Giggleswick, Hook, Hornby, Kirklington, Saxton, Sowerby (near Thirsk), Thorparch, &c., either have been or are being copied. Donations have been promised towards the printing of Aberford, Ackworth, Ecclesfield, Featherstone and Snaith.

The Council will be glad to have the assistance of the members in the work of obtaining new members, and the Secretaries will be pleased to issue circulars to anyone likely to join.

The Council regret to state that they have lost by death the Earl of Liverpool, who has been their colleague since the commencement of the Society.

Messrs. E. W. Crossley, W. S. Porter, F. W. Slingsby, and G. E. Weddall retire from the Council by rotation, and they and the officers of the Society are eligible for re-election.

R U L E S .

1. That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2. That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3. That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4. That three members of the Council shall form a quorum.

5. That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6. That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7. That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

8. That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9. That copies of the publications of the Society shall be supplied to members only.

10. That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11. That the Council may require any Transcript to be examined by them before publication.

12. That each volume of Registers published shall have a full Index of both Christian and Surnames and of Places.

13. That the Treasurer's accounts shall be audited by a member of the Society, who shall be elected at a meeting of the members.

14. That no alteration shall be made in any of the above Rules except at the Annual Meeting. Notice of any proposed alteration must be sent to the Hon. Secretaries a month before such Annual Meeting, and by them communicated to the members.
